A. RESILIENCE CLEANSING OIL

Amazing makeup remover! Run hands under water then add a few drops to your fingers and massage into your face. Add water and keep massaging. Remove with a damp cloth

B. FIRMING SERUM

Use this on a clean damp face after washing, then follow with moisturizer. A little goes a long way, and the moisture from a damp face will help it spread. The blackberry leaf in here mimics the effects of retinol!

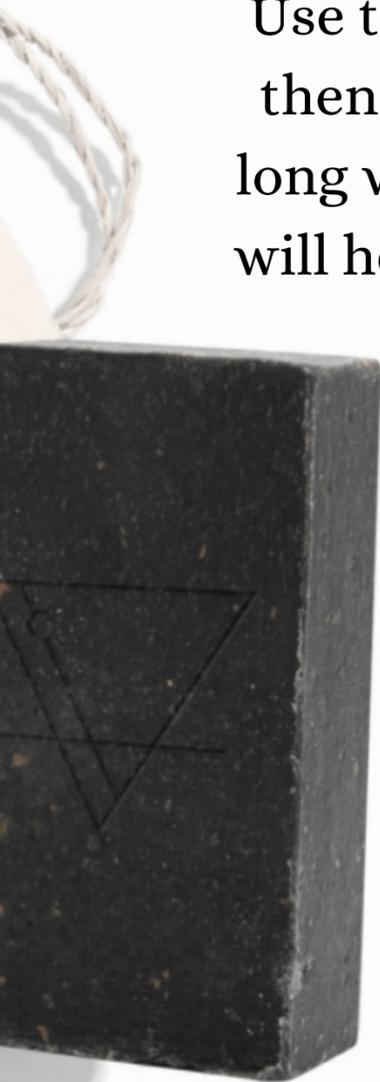

C. PROTECTIVE SERUM

Use this on a clean damp face after washing, then follow with moisturizer. A little goes a long way, and the moisture from a damp face will help it spread. Made with marula seed oil for soft, supple skin.
